

Voice over IP

Simply **low rate calls** over your internet connection.

ADSL 2+ Faster=Better

The faster the broadband, the better the quality.
As broadband connections have become faster, Voice over IP is increasingly becoming an attractive solution for saving money on your overall communications spend.

Cheaper

Low rate untimed local and national calls.
Voice over IP calls are exceptionally good value and perfect for calling your own staff and other offices as calls between Voice over IP numbers are free.

Choice

Make calls using an IP phone or headset.
IP phones provide all the functionality an office phone needs plus you can manage your phone and call settings on screen. Or for a cheaper option, download a free 'soft-phone' and use a headset.

Why choose us?

One Bill.

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

Direct Contact.

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

Choice of Networks.

We know reliability is crucial, it's just got to work. So we only partner with the tier 1 networks so you get the service you're paying for, in more places. And better still, we can offer the network that suits you, not us.

A Communications Partner.

We believe in being a partner to our clients, the success of your business is our business. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.
