## 13,1300,1800 Numbers

The **one number** to match the one web address.

### 1

#### One Number

#### Promote just one number Australia wide.

Your business should have just one number like it has just one website address. Never changing, portable, easy to remember, for you, your team and your customers.

#### Route Calls

#### Route your calls to suit your business.

Even without a PABX phone system, a 13, 1300 or 1800 number allows you to route calls according to the rules you set. Set them up according to the state the calls come from, the time of day they're made and many more. It's your choice.

#### Receive Calls

#### Choose where to receive your calls.

Choose to receive calls according to your rules: To a landline during the day or maybe to a mobile at night. You promote one number and you decide how and where to receive it.

## Why choose us?

### One Bill.

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

### Direct Contact.

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

### Choice of Networks.

We know reliability is crucial, it's just got to work. So we only partner with the tier 1 networks so you get the service you're paying for, in more places. And better still, we can offer the network that suits you, not us.

### A Communications Partner.

We believe in being a partner to our clients, the success of your business is our business. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.

#### Things you should know:

1. Minimum Commitment: Total minimum commitment over 12 months is \$198 Inc GST. 2. Termination: Early Termination Fee applies and is equal to your minimum monthly commitment amount x months remaining in contract. 3. Government Levy: All 6-digit 13 numbers incur a Government Levy Charge of \$743.45 Inc GST per month. This is the amount payable based on the charge as at 3 April 2005, and is adjusted each year by ACMA. We will only recover from you at a rate equal to the then current Government Number Charge. 4. Portability: If you are porting your 13, 1300 or 1800 number to us, the Porting of your Service Number will be conducted in accordance with the INMS Business Rules. Subject to the terms and conditions of the Agreement, you may Port your Service Number if that Service Number is declared Portable under the porting requirements administered by the applicable Regulator, and no exemption from such obligation has been granted. 5. Numbers: If the service has been cancelled and you request us to reconnect, you are not guaranteed to receive the same number. If you have acquired a number via an auction site (such as Smartnumbers), you undertake to make sure that the Australian Communications and Media Authority register correctly reflects the details of your application. If there is any discrepancy, we may not be able to provide you a service on your auction number. 6. Use of Service: In using the service you must comply with any rules imposed by any 3rd party who content or services you access using the service or whose network your data traverses.
